

ODIN MAC OS X OPEN HOUSE

Wednesday, January 29th, 2003

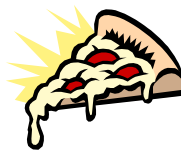

Aerospace Technology Park Training Facility, Room 308

11am - 12pm Formal Presentation

12pm - 3pm Open House

ACS is rolling out Mac OS X beginning February 3rd, 2003. You are invited to an Open House and Formal Presentation to learn more about the software. Learn about the differences between Mac OS 9 and Mac OS X; see a live demonstration of Mac OS X; test your 3rd party software for compatibility; schedule your upgrade appointment.

ODIN Program Management will be available to address your questions and issues.

Refreshments will be provided during the Open House!

Show up and enter drawing for a great prize!
